Criteria VII- Institutional Values and Best Practices

7.2 Describe at least two institutional best practices

1. Title of the Practice: Corporate Mentoring :-

Back Ground:-

Corporate Mentoring is a unique programme that give an exposure about industry need and practices through one to one, group interaction with corporate mentors. This program provide platform to the students to get guidance directly from industrial experts with the following objectives.

Objectives of Corporate Mentoring

To make students aware and knowledgeable about the latest happening and trends in the Industry.

To bridge the gap existing in academia and Industry

To Enhance knowledge of the students and make them more comfortable when they enter the corporate world.

MCA DEPARTMENT**

Model making 2018

Date: 18/04/2018

To provide more realistic, hands-on experience to students so as to understand the concepts of various subjects MCA department has organized model making activity on various subjects like Operating System, Networking, Data structure, Cloud computing for MCA first and second year students.

Students selected various topics on which working models will be made under the guidance of Dr. Deepali Sawai, Mr. Sanjay Mathapati, Ms. Kiran Shinde, Ms. Vandana Pednekar.

Total 27 models are built by students which comprises 11 models of Operating system concepts, 11 models of networking concepts and 5 models of cloud computing.

Students covered topics like scheduling, memory management, disk management from operating system. Some working models illustrate concepts from networking like network topologies, protocols, ISO/ TCP/IP models etc.

These all models are exhibited on 18th April 2018. All departments including MBA, CPJC visited the exhibition. Dr. Deepali Sawai Director IICMR inaugurated the exhibition. Dr. Abhay Kulkarni Director IICMR, Dr. Ashwini Kulkarni Executive director IICMR visited exhibition and guided students.

Inauguration by Dr. Deepali Sawai, Director IICMR MCA

Activity: Innovative way of Teaching-Learning Computer Organization

Date: 13/11/2017

**Time: 12:30p.m to 2:00p.m
3:00pm to 4:30pm**

Venue : SI-08 Class room

The MCA department of IICMR organized a workshop on Computer Organization for MCA I students to initiate an innovative way of imparting knowledge which could be useful to all other similar institutes as well. The workshop was conducted by Ms. Kiran Shinde and Mr. Haridas Mundhe.

The workshop was comprised of two major activities. In one activity students were asked to disassemble the working computer system and assemble back. In other activity they were informed about the motherboard and its components.

Theme of this technical workshop was explained by Ms. Kiran Shinde to the students.
