

IICMRians

Remember the past; plan for the future, but live for today

April 2016

The Alumni Association of IICMR serves to promote and foster mutually beneficial interaction between the alumni and the present students of the institute. It is also observed that the interaction amongst the Alumni is also benefiting them to get guidance from those working in the same domain.

ALUMNI MEET 2015

most specially renewing the old bonds was the main aim of Alumni meet. Everyone present enjoyed the event and activities arranged by department. The Alumni Meet 2015 on 18th April 2015 was a great success

Meeting old friends, classmates, acquaintances and teachers, reminiscing memorable experiences and sharing stories of success and

INTERACTION THROUGH EXPERT SESSIONS

A session on pre placement guidance for C,C++ was conducted by Mr. Amul Patel, Quick Heal Technologies Ltd.on 28th July 2015. He urged the students to focus on their logic and that C and C++ are basic languages to get all concepts clear. He shared his experience of Quick Heal technical interview with the students.

As the placement drives were approaching, a series of technical sessions, lecture on Java were conducted. Mr. Ayyan Peerjade from Quick Heal Technologies Ltd. Conducted session on 3rd October, 2015. He enlightened many core concepts from OOPs, Java which are expected from

interviewee. He explained that along with writing a program one should be clear with logic and methodology also.

IT CONCLAVE 2016

As Students were very much comfortable with alumni to get their queries solved, it was decided to plan panel discussion of alumni in IT-CONCLAVE. The panel discussion on the topic 'How to kick start your IT Career' was planned at IT Conclave 2016 on 6th March 2016. Ajay Ghuge from Salesforce.com, Akash Sarpate from PTC, Darshan Gandhi

from Persistent, Chatur Sriganesh from Xpanxion, Ayyan Peerjade from Coditas Technologies Pvt. Ltd were the panellist for the same.
